Looking for a dance partner? Welcome to Dance Stable's partner search, here you will find a list of potential partners that you can contact and try out with. Simply contact directly through the contact options they have listed and it is then up to the both of you when and where you try out! Please note: sometimes serious DanceSport competitors looking for a partner are willing to travel for a tryout and even re-locate for a partnership, so please feel free to look in other states as well. Also, people new to the industry often worry that they are not good enough for a competitor who is already experienced. Don't feel shy to contact anyone/everyone despite what they might say is an "ideal" partner for themselves. "Remember, at the end of the day we are all here to dance!" If you are interested in being listed here, please [click here](#). Remember, you do not have to be an experienced competitor. Everyone has to start somewhere! I want to be listed here! There are no partner's listed here at present, please check back soon!
